Pilot Mountain Baptist Association
121st Annual Meeting
July 22, 2006
Stanleyville First Baptist Church

Following a delicious meal furnished by the members of Stanleyville First Baptist Church, we enjoyed a message in music by the choir of Stanleyville First Baptist Church. We were led in worship through music by Johnny Gupton in singing "How Great Is Our God", The Bond of Love", and Bind Us Together".

The Business Session of the meeting was called to order by Moderator, David Benton. Terry Rausch, Jr, Associate Pastor of Stanleyville Baptist Church welcomed the group and led in the invocation.

The Them Scripture from John 17:20 -21 was read in Chinese by Frank Li and in English by Mack McConnell.

Nathan Parrish brought the Theme Interpretation in which he liked the diversity in size and shapes of a hand-made quilt to the diversity of our Association yet making one group doing the will of God.

A memorial service was led by Charles Edwards, remembering Ed Stines. He told how Ed worked so much for the Master and much of this was done in the Pilot Mountain Association. Charles shared how Ed planned his life and his death as well as he planned the order of service for his funeral. In the last days of his life he was dependent on other's blood in order to live, as we need someone else's blood to live today. That One is Jesus. This memorial service was closed by prayer led by Charles Edwards.

Special Music was brought by the Stanleyville First Baptist Church choir. They sang a medley of songs about Grace.

The Membership Committee Report was given by Cecil Cave. He presented the names of two churches: Saint James Missionary Baptist Church and Friendly Arabic Church for watch care of the Association for one year. (See Attachment #1) The motion to receive these two churches carried.

Bobby Stafford recognized the Pilot Mountaineer Award Church which was Old Town Baptist Church.
Bobby Stafford recognized the New Pastors and Staff Members who have come to our association since last year.

Johnny Gupton led the group in singing "Living for Jesus."

Cathy Deal read the Scripture Reading selection taken from Ephesians 2: 8 -10.

Karen Taylor presented the Jim Hamblin Offering for Local Missions and Ministries. She shared her dream of helping the homeless through churches volunteering to fix up property and furnish and care for a family for 12- 18 months. Following her presentation the offering was given.

The Constitution Committee Report was given by Paul Dean in the absence of Richard Powell. The motion to receive the report came from the committee and needed no second. The motion was approved.

Charles Edwards gave the Personnel Committee Report. We celebrated Karen Taylor's 15 years with the Association. He shared how her position with the Association has changed through the years with the changing of staff. She is now Community Missionary. Charles also recognized Bobby Stafford for the great work as Interim Associational Missionary. Bobby made a short response to the recognition.

Mary Ella Barefoot gave the Enlistment Committee Report. (See Attachment #5) The motion to receive this report came from the Committee and needed no second. The motion passed.

Bobby Stafford led in the installation of officers for next year.

Maurice Briggs gave the report of the Associational Missionary Search Committee. He began by recognizing the Search Committee. The Committee presented the name of Dr. James Pollard as the nominee for the position of Associational Missionary of the Pilot Mountain Baptist Association. Joyce Love spoke about the nomination process and Dot Harmon spoke to the nomination as well. Dot also mentioned that there were four qualities they were looking for in their nominee: vision minded, quality oriented, congregational focused and personally flexible. Dr. and Mrs. Pollard retired for the discussion time. Following a short discussion time, the Committee presented the motion that Dr. James Pollard was to become our next Associational Missionary. No second was needed. By a show of hands, the vote was unanimously carried.

Dr. and Mrs. Pollard were presented to the group as our Associational Missionary. Dr. Pollard spoke shortly. He said that he is a story-teller. He told the story of a little boy who was asked by his father what he had learned in Sunday School that day...the boy told of Moses crossing the Red Sea...Moses had his rear guard protect while they build a bridge across the sea...then as they crossed and Pharaoh's army started across, they blew up the bridge and the soldiers were drowned. The father asked, "are you sure that is the way the teacher told it"...the little boy said, "no but if I told it the way she told it, you would not believe it either." Dr. Pollard spoke how it is hard for him to believe this night.

Mrs. Pollard spoke about how God is so awesome. She spoke of the beautiful rainbow in the sky as they went out for the discussion. That this was a very good sign from God.

Charles Edwards gave the couple a formal welcome. Galo Maldonado spoke words of welcome in Spanish. Bobby Stafford also spoke words of welcome and presented Dr. Pollard with a hard hat for the continued construction of the Association.

We adjourned and were led in prayer by Paul Dean.

Johnson Gupton, Clerk

Membership Committee

On behalf of the Membership Committee I, Cecil Cave as Chair, make the motion that the Friendly Arabic Church (Pastor, The Reverend Maged R. Basily) be received under the watch care of the Association for one year.

Annual Report for 2006

"Our mission is to serve as a catalyst through encouraging and equipping churches to participate in a Christ-centered process resulting in the development of qualified, effective and committed Christian leaders."
(Adopted 12-10-02)

This report is a summary of the activities and deliberations of the following ministry teams making up the Congregational Leadership Development Team of the Pilot Mountain Baptist Association during the year of 2006.

Bible Teaching Reaching- (Dot Harmon – Leader) the team has promoted its availability to the churches in the association to respond to requests for assistance in training local church Sunday School and V.B.S. leadership. As a result they conducted S.S. leadership training workshops at FBC Advance, Glenn View, Edgewood, Stoney Ridge and Union Cross churches. Team Director, Dot Harmon made "intentional" visits to Cornerstone, Stoney Ridge, Fellowship and Griffith churches to observe S.S. classes, classrooms and interview S.S. leadership. The Team also participated in the V.B.S. Leadership Training at Glenn View church in March. The team is available and ready to respond to any request for assistance to train S.S. and V.B.S. leaders upon request.

Congregational Development Team – (Don Harvey- Leader) – Over the past year the team has spent time "visioning" and defining its purpose. They have determined that they best way to develop our congregations is to develop congregational leadership. Their focus for 2007 will be finding ways to "encourage, equip and empower" local pastors. This will involve a training event in the fall of 2007 to bring congregational leaders together and encourage them to renew their interest in participating in "learning communities, mentoring and coaching relationships." It is anticipated that this event will be co-sponsored by the N.C.B.S.C. Dates and location will be announced.

Discipleship – (Joyce Camp – Leader) – The annual Associational Children's Bible Drill in March consisted of 8 children from Green Meadows church and 2 Youth from Crestwood church (the host for the event). All participants qualified to move on to the state level drills. Lori Walker (Green Meadows) currently serves as the association's Children's Bible Drill coordinator. The Discipleship team is compiling a number of discipleship resources for all age groups for review and use by the churches of the association. These may be reviewed on the PMBA website. The team is planning its first "Discipleship Dialogue" event in April 2007 and is available for churches desiring training in any area of discipleship.

Deacon Ministry- (Hollis Stinson- Leader) – This team has been in the process of reorganizing this year, but anticipates providing at least one association-wide training event for deacons from the local churches. This will be publicized as soon as details are worked out.

Evangelism- (inactive)

Family Ministries- (Jo Bjorling – Leader) – After providing a number of workshops dealing with the issues surrounding domestic violence, the Family Ministry Team is making available to the churches (upon request) resources dealing with family, marriage, parenting and other family-

related issues. The team's leader has also been involved in a joint venture between Baptist and local community leaders, "Faith Leadership Training Program" to educate leaders in various community organizations concerning the growing problem of domestic violence.

Music and Worship – **(Johnny Gupton – Leader)** The "choir clinic" sponsored by this team last fall was successful as a number of churches participated in it. Plans are under way to consider planning another such event in 2007. The team is also hoping to sponsor another children and youth music training opportunity for the churches of our association.

Ordination – **(Ray Hamilton – Leader)** – This team continues to avail itself (upon request) to assist local churches in the process of ordaining individuals experiencing a call to the fulltime Gospel Ministry. They had the privilege in interviewing a number of candidates this year, making recommendations to the respective churches concerning ordination and giving advice where needed or requested.

Prayer Ministry – **(Bruce Bedinger- Leader)** This newly-formed team has begun the process of under girding local churches in intercessory prayer and the promotion of revival and spiritual awakening. Their goal in 2007 is to identify the local church prayer coordinators, encourage churches who do not have such leaders to consider electing persons to that role, discover what prayer initiatives are going on in the local churches and provide opportunities where church prayer coordinators may come together for training and support. Plans are underway to promote the upcoming "Unity Revival" in W.S./Forsyth County (May 31- June 2, 2007). The team hopes to also partner with the NCBSC in sponsoring a Pastor/Staff Prayer Retreat in 2007. Date and location will be announced.

Minister's Fellowship – **(Mervin Garrison – Leader)** The "Joint-Ministers" worship and fellowship events in December and May between the ministers of the PMBA and the Rowan Association continues to be a well attended and appreciated event. This team will continue to sponsor these events.

Seminary Extension – **(Doug Jordan – Leader)** – No classes were offered this year due to the apparent lack of interest on the part of our churches. The team is currently praying about and considering which direction this ministry should take in the future.

Senior Adult Ministries – **(Christa Warise – Leader)** – The December "Candle Tea" was once again a successful venture for this team. All participants seemed to thoroughly enjoy the occasion. Another highly attended event sponsored by the Senior Adult Ministry Team is the Senior Adult Appreciation luncheon held at Old Town church in May. The team is also encouraging and empowering local churches to plan, promote, and provide joint senior adult trips or other fellowship events that will enhance the spirit unity and cooperation in our association.

Spiritual Formation – **(Peggy Conrad – Leader)** – Over the past year this team has held a number of planning meeting to develop a strategy to engage the churches in this relatively new ministry of spiritual formation. They have been compiling a number resources related to this area of development which will be made available to local churches via the PMBA website. Team representatives met with D. Wendy Minton-Edwards, the NCBSC Spiritual Formation representative to discuss plans for an event featuring Dr. Edwards in our association. This is tentatively planned for May 2007. Jim Hamblen, our former Associational Missionary has led a "Companions in Christ" study for the leadership at First Baptist on Fifth church. Other team members have worked with Kernersville FBC and Union Grove in consultation related to

Spiritual Formation. The team is available to any church seeking assistance in developing its ministry in this area.

Youth Ministries – (Paul Leigh- Leader) – The Youth Ministry Team had great participation by local churches in its annual "Fall Youth Retreat" at Ridgecrest last November. Over 500 youth from 17 churches participated in this weekend of worship, Bible teaching and fellowship. The team was excited that many of the young people made faith decisions for Christ during the event. Plans are already underway for next year's event.

New Church Starts – (Jim Camp – Leader) this team reports a number of innovative and exciting new church starts in our association. Those include the new Filipino church, currently meeting at Lewisville Baptist which is still seeking a church sponsor, the new church start, Life Quest, sponsored by Clemmons FBC, meeting at the Clemmons YMCA, the W.S Chinese congregation which recently constituted, the "Summit 21" church meeting in Advance, the new Hispanic church sponsored by Calvary church, the Asian-Indian church of the triad and "North Star" church meeting at the Farmers Market.

Belarussian Children Summer 1006

On June 19, 8 of the 12 host families met the 17 children and one chaperone in Charlotte.

All the children were seen by doctors at Brenner Children's Hospital and were also seen by dentists and eye doctors. We went skating 3 times, bowling, car races, and a baseball game and had a birthday/farewell party at Walkertown First Baptist. All the children and chaperone were given birthday gifts by West Side Baptist. Two of the skating events were at Winston-Salem First. At the farewell party all the children were given plenty of toothpaste, toothbrushes, a bag of vitamins and Tylenol and Russian Bibles. When the children left for Belarus a food bag was given to each person. These bags were prepared by Clemmons First.

A special than you to everyone that gave items, money, gifts, to Stanleyville First and Green Meadows for vans to get the children here and to return to Charlotte.

A special service at Green Meadows was held for one girl and we had three girls with families at Stanleyville First that were saved.

Change is:

Channel mission service: Baptist Toy Store, Fair Ministry
Happiness in serving God and others
Another year of mission's involvement with Brotherhood and WMU
New Associational Missionary, Multi0-housing Team, and Stepping Stones
Global Missions in going and giving or staying (Belarussian Children)
Equip, encourage, and empower cooperation among all PMBA churches

These are more than words, plans, and projects and the question is: "So, who do you serve?" Peter says: "And all of you must put on the apron of humility, to serve one another." 1Peter 5:5 – "All of you and we have a place for ALL of you to serve and share His love.

ASSOCIATIONAL REPORTS

Interim Associational Missionary – Bobby Stafford
Associational Missionary – Dr. James E. Pollard
Community Missionary – Karen Taylor

Interim Associational Missionary
Bobby Stafford

Talking with various people including the personnel committee revealed the following descriptive phrases about the Pilot Mountain Association:

- The association is wandering
- Our finances are declining
- Some pastors question the existence of the association
- Some folk think staff job descriptions need updating
- The people in the pew are not hearing about the ministry of the association

After I arrived on the staff team, I realized that the staff wanted very much to be as effective as they could be. During weekly staff meetings, we got to know each other, appreciate each other's gifts, and move on to ministry. One full-time staff person had been called to another ministry before I arrived and during the first few months, a part-time staff person decided to relocate. We made changes in the part-time job description and entered into a contract to complete that task. The full-time staff person was not replaced. The need is great to help congregations to make disciples, but the funds were inadequate to support another full-time staff person while I was there.

The phrases listed above describe symptoms of an organization that has moved from ministry to nostalgia or questioning. The way to move an organization from nostalgia and questioning to ministry is through re-establishing the belief system, allowing the angry to vent, raising the image and self confidence of the organization by reviewing past successes, and planning the future journey. Leadership began to think through the future journey. Ten months is not enough time to develop that task.

There was a lot of energy generated within the committees, teams, councils, and through communicating with pastors and staff. The Leadership Team had no real function in the association. One evening as we met, the leader challenged the group to be visionary leaders. The group determined that would be their task so they began to take an active role in being visionary leaders for the association. Energy grew from that moment. The result is that they were developing some plans for making some changes in the structure that would simplify the administrative process and leave more time for developing a future journey.

The mission performance groups were brought into the thought process of becoming a team that would support and equip the congregations to become what they believed God wanted them to be and do. A prayer coordinator stepped up to lead that ministry. A group of pastors began to pursue congregational development. A deacon leadership team was beginning to function. A stewardship development team was beginning to function. The new church start team began to supply support for the church planters and were developing a strategy for at least one new start in 2007. The music ministers started to eat breakfast together, which resulted in a choral educational event. Their plan is to provide a 200 vice choir at the 2007 associational annual meeting of messengers. Some associational leadership decided to resign, which provided openings for those who did want to pursue some new and different thinking.

The future looks bright for the association. Jim Hamblen kept the family together. Dale Harlan, Charles Fox, and John Saunders all added a strong dimension to the association. Jim Pollard,

Karen Taylor, Brenda Dean, and Miki Keefe are capable persons to lead the association to be a cluster of churches that support and equip each other to develop disciples with a purpose.

The ten months that I was a part of the staff were filled with fun times. It was my privilege to be among the members of the churches, the pastors, the staff, and the associational leaders. I thank the Pilot Mountain Personnel Committee for bringing me to the association and the many good friends that I made.

Associational Missionary's Annual Report
Dr. James E. Pollard

As a new page in the legacy of Pilot Mountain Baptist Association begins with coming of a new Associational Missionary, so begins a new style of reporting. I begin by asking myself the question: If I were reading this report now or in the future, what would I want to know? I would want to know the heart of who we, the PMBA, are, where we are now, and where we are headed. The reporting of various conferences, training, mission projects and ministries will be left to the teams covering those areas.

The heart of who we are. It begins with wanting to see lives changed; to help people develop a deep, personal relationship with Christ; to become more like Christ in thoughts and actions; to see that everyone in our area can be touched by God's love through a local church; to be instruments of change in the community where we live; to give witness to and share the love of Christ in far off places in our own country and around the world. All of this can be summarized in helping people learn to love God and prepare to serve Him.

Where are we now? The PMBA has a long, rich history of training leaders, assisting and developing congregations, and missions and ministry outreach.

- We are listening and assisting with the needs of churches and leaders.
- We are assisting in new church plants by locating areas of growth and new ethnic groups that need a Christian congregation.
- We are listening and assisting with the needs of our community through missions and ministry.

Where are we headed? We are at a crossroad. The direction we decide to take will determine our legacy. The world is changing so fast that it is difficult to see too far into the future. We focus on the future as a direction but we must work in the present. As we look at our association we have to ask some hard questions:

- Do we know where we are headed? One of the most critical aspects in the life of our association is to have a clear vision of the direction we are headed. Our vision is *seeking God at work and joining Him*. The PMBA will serve as a catalyst to:
    - Equip congregations for fulfilling their unique calling
    - Nurture congregational health
    - Encourage cooperation among congregations
    - Channel mission service
- Are we relevant to our churches? Our goal is to serve our member churches. We are listening intently to the needs of our churches and looking for ways to help them network locally and globally to change lives and make this world a better place in which to live. This means we need to be out on the cutting edge of missions and ministry. With God, there is always something new coming.
- Are we flexible enough to react quickly to an ever-changing world around us? We are embarking on a journey to "simplify to serve." This involves looking at ways to simplify our structure to enable us to react faster to needs of a rapidly changing community and world as well as provide a flexible structure for those who want to be involved in assisting, training, missions, or ministry.

- Are we focused on the important issues facing our churches and community?
    - We are asking questions in our community about the areas of need where we might make a difference. We want to assist in setting up a network to help churches and other helping organizations work to make a difference here locally. We have some event based ministries like the Fair Ministry, the Toy Store, and the prison Christmas worship and fellowship. We also have some ongoing ministries such as disaster recovery and Sisters Outfitted for Success. Stepping Stones is a new ministry to provide for the needs of homeless families in our area. This will involve providing a furnished home for a determined time, assistance with utilities, job training, job placement, and a spiritual connection with a sponsoring church.
    - If churches are going to be relevant, their pastors must be current. We are providing assistance for pastors in learning opportunities and other personalized areas of interest. Churches also need trained leaders. We will seek to provide churches with personalized training to meet their needs.

Community Missionary Annual Report
Karen Taylor

Again this year the Community Ministries of the Pilot Mountain Baptist Association have assisted numerous congregations to develop ministries to assist individuals and families with hunger, clothing, utilities, and even housing needs.

I'm encouraged by the resilience and strength of our congregations as they seek ways to identify the needs and minister to the people living in their communities. Forsyth and Stokes County are blessed with numerous non profit agencies networking to make a difference in lives.

No matter how large a church may be…no matter how small a church may be…alone we remain one voice…together we are many voices strong, carrying a message of hope and love from our Heavenly Father.

Congregational Council Meeting
Tuesday, January 10, 2006

David Benton called the meeting to order at 7:00 pm. Nolan Lawson led in the invocation. Recognized any new congregational council members, pastors, etc.

The minutes from the October 11, 2005 minutes were reviewed and approved as presented.

Leadership Development Team: Charlie Martin expressed the need for a Discipleship Director program coordinator. Please join in prayer with this team to fill this position.

Bible Teaching Reaching: Dot Harmon spoke and shared that she is going into churches and surveying the church as far as classes, materials, outreach, etc. Important to make Sunday School look and feel alive because the Bible is alive! (see attached brochure) Shared material for VBS. Upcoming training session on March 18th at Glennview Baptist Church. Lifeway will be present. Call Pam Mitchell at the church for more information. The important thing is that people are studying the Bible.

Church Development: Dale Harlan shared three areas of concern with the council. How can we customize who we are and what we offer to our congregations? Second thing he feels critical is the new church plants. FC has the third fastest county in NC growing in Hispanic nationality. We need to start new churches and congregations. Third item of concern is how do we mentor young and immerging pastors?

Family Ministries: Mazie Bumgarner spoke regarding the main focus. In 2005 it was domestic violence. Will have more training as this year goes on. Had a worship service in the fall, all denominations, all races, together with survivor speakers. Thursday, Feb. 16th, at Family Services will offer a seminar on ministering to the abuser. Some of the upcoming topics will include: Marriage Education, Family Enrichment, Living with teenagers and loving it, Domestic Violence Awareness, Developing Family Ministry Teams in your church, Mentoring, etc. (see attached)

Ministry Development Team:

Brotherhood/Disaster Recovery. Michael, was in CCU over the weekend. Mild heart attack on Saturday night. Shared projects of the ministry team, Grifton, Gulf port, etc. Want to work with churches to train, help organized, etc. have a tool trailer, chainsaw trailer, mud out trailer, and an open trailer, going to change to a dump trailer, log splitter, etc. to have a firewood ministry. Sign up for phone tree information. Have tshirts and hats. He then shared some of the stories of the places they have been and the special people they have met and the reasons they go on these trips. Positive for all involved. Mike would like to see us do a Mother's Day cookbook for a fundraiser.

Joyce Love reported regarding the Belarussian Children's Project, upcoming meeting on January 19th at 7:00pm. Anyone wanting to host a child, please attend.

Community Partnership/ Baptist Toy Store: Cathy Deal reported on the Baptist Toy Store, this year we helped 1132 people in one way or another.

WMU: Glendora Epperson, co-director shared about the Christmas Party for the Prisoners. Had the largest crowd this year that they have had. Annual Salad Supper will be held at Oldtown Baptist on March 2, 2006 at 6pm. The theme this year is, "Christ's Followers."

Community Missionary: Karen Taylor: The reason you are involved in associations is because together we can impact this world like never before. If you doubt that your church needs to be involved in your community, call Karen, she will share with you what is needed!

Organizational Support Committees:

Enlistment Committee: Mary Ella Barefoot reports that we still have opportunities for people to serve. If you know of anyone who would be willing to serve, please contact the Enlistment Committee. Please help with suggestions.

Annual Meeting Committee: David Benton reminded everyone of the upcoming annual meeting. The date of the meeting is Saturday, July 22, 2006 at First Baptist Church in Stanleyville. The meeting will begin with a Missions Fair from 4-5pm. Mission Teams and Baptist Agencies will be invited to join the fair. A fellowship meal will be enjoyed from 5-6pm. The annual meeting will be called to order at 6pm. The entire event will be held in the Family Life Center. Encouraged churches to designate messengers.

Associational Missionary Search Committee: Maurice Briggs opened a time for questions. Shared the life includes many endings and beginnings. Bobby Stafford, interim Associational Missionary has engaged in some listening sessions and shared this information with the committee. Have approximately 40 persons that have felt led to apply for this position. Begun the process of narrowing the focus. Next step is a meeting on January 23rd. Committee has a good working relationship.

Personnel Committee: Bill Ireland reports that David Coburn left the association at the end of 2005. This position will be contracted out for 90 days to give the committee time to seek someone to fill this position.

Finance: Ty Talton, reported the budget reported for 2005. See attached. Spent more than we receive. Spent some of the designated funds. Report will be available in the next few weeks.

Presented the 2006 budget (see attached) 2 changes in the Nurturing congregational Health and Encouraging Cooperation. Associational Missionary: $12,900 (this is the amount that remains if you take the recommended salary minus the amount that we are paying the interim. Missions money manager and records assistance are now listed under contract positions, no longer listed as staff. Recommend a 3% raise for staff. Chose not to recommend the Congregational Missionary be replaced at this time. If the funding comes in to staff this position, may change.

Staff support section under operations, rational for listing under operations. Intent was to separate to clarify who was staff and who was contract (part-time, no benefits) to clear up any confusion. Could this separation be misleading if trying to determine the percentage of budget used for staff salary. May need to change the terminology of the contract positions to be correct.

Budget presented, no second needed. Budget was adopted for 2006.

This year we are trying to accelerate budget process and have a budget recommendation ready for the annual meeting.

The next congregational council will be held on April 4th at 7pm (instead of April 11th) and a motion was made to move the location to the local congregations. An invitation has been extended from Peacehaven Baptist Church. Motion was made by Bill Ireland, seconded by _____. Motion carried with one "no." Charlie Martin made a point of order that there was no discussion. Decision was resented and discussed. Bobby Stafford spoke in regards to space, wanting to get more

involved, etc. Charlie spoke that his concern was the motivation to get people to attend when not at a central location. Perhaps we can try this for a number of meetings and see how attendance maintains. This was presented to encourage churches to connect. Reuben Gilliam called for the previous motion. The Council voted again and motion carried with one "no."

Dwight Haynes, pastor of Antioch Baptist Church, volunteer PMBA coordinator for Crossover spoke in regards to this event. See attached information.

Bobby Stafford informed of an e-newsletter that will begin to go out to the association. He then led in devotional thought that Jesus came to seek and save the lost. It's all about sharing the Gospel with others.

Glendora Epperson made a motion that we adjourn. Keith Snow seconded. Motion carried. David Benton closed in prayer at 9:15pm.

Respectfully submitted,
Sandra M. Sewell, Clerk

Pilot Mountain Baptist Association
Congregational Council Meeting
Peace Haven Baptist Church
April 4, 2006

David Benton called the meeting to order at 7:00 P. M. He welcomed those present. He recognized Nathan Parrish, pastor of Peace Haven Baptist Church, who welcomed those present and gave a history of Peace Haven Baptist Church which began in 1957 with Ray Benfield as its first pastor. The ground breaking for the present building was done in 1962. In 2007 the church will celebrate its 5Oth anniversary.

The minutes of the January 10 meeting were approved as presented.

Maurice Briggs gave an update on the Associational Missionary Search Committee's work. At the time, they have 9 or 10 people on paper who are quite qualified. They are pursuing two at the present time with the others asked to stand by. The committee has finished interviews and checking references. - Fair Ministry – this again another successful year. There were 231 volunteers and 71churches participated. There were 3 people who made a profession of faith and 2 re-dedications.
- Stepping Stones Ministry – Karen is talking with two churches, realtors, and one person of which to have places to house people. She intends to have the homes/apts. furnished from dishes to linins and hopes that she can match a family with a church to mentor them for 18 months. The mission of this ministry is to invest in the lives of families who have no hope of a place to life.
- Toy Store – Karen reported that in 2005 the PMBA gave out toys for 1000 children, helped families with toys in Gulf Port, and S.E.A.M.S. She hopes that in 2006 we will be able to accomplish just as much and more. Price of toys should be in range of $10 - $25. There is much excitement in this ministry as she has a "Human Chain" running from attic to basement of the Associational Office where children grades K – 6th participate...this gives the children a sense of the real meaning of Christmas.
- SOS – Karen stated that there was water damage at United Baptist Church where the closet was located and that because of insurance reasons the PMBA could not have this location any longer. She is looking for a new place to house these clothes. She stated that this is such a ministry for women.

Lori encouraged all present to have their churches participate in such a character building program.

The Association will have only one service this year and it will be at 7PM at College Park Baptist Church. She encouraged not only women to come but also the men.

This award went to Old Town Baptist Church for their starting a medical clinic for people who could not afford medical insurance.
- Next was the IMB Lottie Moon Presentation. This award was based on two criteria: 1st. A church who gave the largest amount of money within the Association. This award went to Calvary Baptist. 2nd. a church who gave the most amount of money based on the membership. This award went to Antioch Baptist.

Jim introduced Ed Tablazon, Pastor of the Filipino Church start. Ed stated that he felt a call to start a Filipino church in North Carolina and other Filipino churches in the US felt as if Winston-Salem was the place. He met with a group of Filipino people on October 15 for the first time. He stated that there are a lot of Filipino people in Winston-Salem and that most of them are connected in the medical field. He also stated that several Associational churches have talked with him on partnering with him on this ministry.

Jim presented a power point presentation of "Where Do We Go from Here?" (See attached) …this presentation brought excitement among those attending the meeting. Jim used the scripture "For I know the plans that I have for you,' declares the Lord, 'plans to prosper you and not to harm you, plans to give you

hope and a future'"...(Jeremiah 29:11 NIV). He stated that the Association needs to get back to the basics: (each was clearly defined)

- Simplify to Serve
- Communication is Key
- Equip. & Strengthen Congregations
- Channel Mission Service
- Operations

Jim used the scripture Mat. 7:7-8..."Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened" also Proverbs 29:18 (KJV) "Where there is no vision, the people perish"

Jim ended with "Where do we go from here?..."Do not go where the path may lead...Go instead where there is no path and leave a trail" – Emerson

LEADERSHIP TEAM
MAY 9, 2006
5:30 PM

The Leadership team of the PMBA met at 5:30 PM on Tuesday, May 9, 2006 at the Association Office. The meeting began with a meal.

Nathan Parrish opened the meeting by thanking those present and saying that he would have to leave early for another meeting. He presented to the group an idea of leaning down the administrative structure of the association. (see attachment 1) The idea was that the Leadership Team would serve as liaison and the leaders of the committees listed on the left of the circle would work to get the work done. It was mentioned that the leaders could serve a one year term making it easier to obtain leaders. The leader could recruit others in or out of the leadership team to perform the individual projects. A discussion of the pros and cons of the suggestion was made. Nathan had to leave early and David Benton conducted the rest of the meeting. The discussion continued on the suggestion by Nathan. A three year rotation of three on the committees was mentioned. This would give continuity. Nolan Lawson suggested that Personnel not be on this set-up since there are times when personnel matters should not be handled by the Leadership Team. It was also mentioned that the Finance Committee might fall under this same consideration. Properties Committee was also mentioned since it is generally performed by a small group. Ty Talton made the motion that we table this for further discussion at our next meeting. The motion was seconded and carried.

Since Maurice Briggs had to leave early, his update of the actions of the Search Committee was given next. He reported that on April 15, the committee had come to the consensus to pursue one individual. On the weekend of May 25-27, the committee will be meeting with this individual. The name of the candidate is to be anonymous at this time. The committee feels confident that things are moving forward under the leadership of the Holy Spirit for a call to be issued. On Saturday, May 27, the leadership will meet at the Associational Office to meet the candidate, if previous meeting with him by the committee of the days before are successful. In July at the Annual Meeting of the Association if the call is successful, there will be an open house to meet the candidate. Maurice expressed appreciation for the committee and Joyce mentioned that everyone on the committee was usually present at their meetings.

Ty Talton presented an update on Finances (see attachment 2) He presented a favorable report in which giving for March was up by 4%. Ty then presented a draft of the 2007 Mission Funding Plan Worksheet (see attachment 3)

The Leadership Team suggested names for the 2007 Enlistment Team. The following were mentioned: Peggy Neal - Antioch, Cathryn Johnson - Forest Hill, Robert Billings - Willow Oak, Barbara Benge - Old Town, Hilda Smith - United cornerstone, Carolyn Attucks - Greater St. Matthews, Eunice Maldonado - Iglesia Bautista Union Cross, and Anna Li - Chinese - Ardmore.

The final draft of the Constitutional changes was handed out. (see attachment 4) This will be voted on at the Annual Meeting.

David Benton brought a recommendation to consider changes in the 2007 Annual Meeting (see attachment 5) His suggestion was that:

- We move the Congregational Council Meeting to 3rd. Tuesday
- That the October Congregational Council serve as our Annual Meeting
- That the April & July meetings of the Congregational Council be held in PMBA churches and that the January meeting be held at the PMBA office

This was discussed and it was suggested that all of the quarterly meetings would need to meet on the 3rd. Tuesday in order to get us back in sinc. It was mentioned that this would need to be approved by the Coordinating Council whose responsibility is calendar. This will be done next month at their meeting.

David Benton gave us an update on the 2006 Annual Meeting. He reported that 15 groups had signed up for the Mission Fair.

Karen Taylor made the suggestion that the clerk & Assistant Clerk serve on a 2 year rotation. The Assistant Clerk would take minutes at the coordinating council meetings and the Clerk would take minutes at the Leadership Team and Congregational Council meetings. This would need to go to the Constitution Committee.

Karen Taylor gave an update on the Jim Hamblen Offering. She presented a long term ministry looking at housing for the homeless people. She presented a program of identifying the homeless people, finding properties signing agreements with property owners for reduced or rent free for fixing up property using churches to partner with property owners in the project. The homeless family would sign an agreement with the church involved to attend Bible study and worship, classes and schooling in order to help find them a job. Each family would covenant for a not less than 12 months and not more that 18 months. Each family would pay rent to go into a fund for them so that when they secure an apartment of their own they would have funds available to pay the deposits, etc. We could work this for 1 year and then could apply for grant money to carry it on.

Bobby Stafford gave the Enlistment Team update

Bobby Stafford mentioned the incorporation documents need to be included in procedural manual

Bobby Stafford gave an update on the Ministry Partnership agreement

Bobby Stafford mentioned that Southeastern Seminary would like to meet at a luncheon for those interested. Decided to allow them to come

We adjourned with prayer by Bobby Stafford at 7:35 PM

She is contacting the owners of the properties to see if we can work some deal to use these for this ministry. She also mentioned that we need more volunteers to serve on this team. She reported that there are a couple of churches that have property we might be able to use. We have enough furniture on hand to furnish one and maybe two houses. SOS Ministry report...needs a place to house the clothes. United Baptist had some water damage and most of clothes were damaged. The church, due to insurance policies, will not allow us to have a space there. Fair Ministry report...Needs volunteers to serve in 3 hour shifts. Joyce shared about one of the girls from last year sharing the plan of salvation with several of her friends.

Jim Pollard shared some of his vision for the Association. How we flesh out our vision is the most important thing. He shared that this week he has talked with a pastor from the Philippians who wants to start a Philippine Church here. He had also talked to a Korean pastor who is interested in starting a Korean work. He spoke to a Hispanic pastor who is interested in multi-housing ministry. There was also an Afro-American pastor looking to start a new work. All this in one week! Jim stated his philosophy for associations which is "Reaching People for Christ". We need to be a resource center for the churches and he stated that we are in the process of re-working the Media Center.

Jim said there are three things he wants to see done:

- Equip and train leaders
- Encourage the people

- Empower the churches by freeing them up to do the ministry God has called them to do

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
(July 2005-July 2006)

*Many Voices, One Story. . .*North Carolina Baptists attending the Baptist State Convention Tuesday evening, November 15, 2005, sat as the lights in the Joel Coliseum in Winston-Salem dimmed. Messengers and guests arrived anticipating the night's report from Baptist Children's Homes (BCH). Every five years, the Institution presents a 30-minute expanded report, which many people view as the highlight of the convention.

The crowd present this night leaned forward as the first child stepped to the microphone to tell her story. Children and residents representing BCH's four campuses, wilderness camping program, group homes and developmental disabilities ministry filled the stage area. The 2005 meeting was BCH's opportunity to share the ministry through children's testimonies and songs while highlighting the Institution's 120th anniversary.

BCH president Michael C. Blackwell enthusiastically addressed the group declaring, "We are uniquely, proudly, passionately, and incurably a part of the North Carolina Baptist family."

To close the presentation, Broyhill Home resident Jennifer and developmental disabilities resident Marcie sang "Jesus Loves Me."

"These are God's miracle children...," Blackwell said. "I want you to see in those eyes the eyes of our God who loves children."

But the true pinnacle of the evening for one special child occurred away from the eyes of messengers.

"We were all saying goodbye when I looked down and saw Jennifer crying," said Lou Arnsdorff, Jennifer's child care worker. (Jennifer had just sung on stage.)

A tearful Jennifer told Arnsdorff, "I just want to ask Jesus into my heart." In a crowded hallway outside the auditorium, Jennifer accepted Christ as her Savior.

*Show you love. . .*This year's Baptist Children's Homes' offering theme, "Show You Love," represents the pivotal role individuals and churches play in the lives of hurting children.

North Carolina Baptists show their love through their prayer and financial support. It is only through this commitment that BCH can continue to make a difference. This year's statewide offering goal is $1,375,000. This represents a $25,000 increase from last year. Challenge your church to participate in the 2006 Offering Campaign.

*Biography Unveiled. . .*The biography of BCH president Michael C. Blackwell was published and officially unveiled to the public in April. ***Just Call Me Mickey: From Mill Village to Mills Home, The Journey of Michael C. Blackwell*** was written by the late Wint Capel, former editor of the *Thomasville Times*. The book chronicles Blackwell's life from his humble beginnings as a boy living in the mill village town of Gastonia to

becoming president of one of the largest private children's homes in the southeast United States.

New PMG members named. . . Baptist Children's Homes president Michael C. Blackwell announced several key administrative appointments in June. Nancy McNeill was named BCH's Executive Vice President (EVP) of Operations overseeing the statewide Institution's day-to-day operations. Jim Edminson was appointed as BCH's Institutional Director for Communications directing the agency's statewide communications. Shane Nixon has been named BCH's Institutional Director of Information Services directing BCH's technology services and broadening his role of service. McNeill, Edminson and Nixon will serve on Blackwell's President's Management Group (PMG).

Former resident, BCH child care worker, and administrative office manager Jennifer Shore was appointed Executive Assistant to the President and longtime staff member Ron Richardson was named Manager, Institutional Support Services.

*Dedicated to the Glory of God. . .*Baptist Children's Homes set its sights towards the future expanding its services to children and families.

- The Alverta Bolick Home in Asheville was dedicated in May. The facility is home to developmentally disabled adults in the Asheville area.
- The campaign to build two similar facilities for special needs adults in the Sanford community began in August 2005.

- The Winifred Lindsay and Three Forks Homes for developmentally disabled adults were dedicated August 27 in Boone.
- Groundbreaking for DDM homes in Sanford and Asheboro will take place September 10 and October 14 respectively.

Report from the Baptist State Convention of North Carolina
Period July 1, 2005 to June 30, 2006

Executive leadership in the Baptist State Convention of North Carolina changed April 11, 2006 when Milton A. Hollifield, Jr. was elected executive director-treasurer. He was installed the same day during services at Calvary Baptist Church in Winston-Salem.

Hollifield declared that he intends to lead North Carolina Baptists "to become the strongest force in the history of this Convention for reaching people with the message of the Gospel."

Within months, Hollifield filled three executive leader positions. He eliminated the position of associate executive director-treasurer; and combined some of those duties with a newly named executive leader for administration and convention relations. Brian Davis, pastor of Beulah Baptist Church in Statesville, board member and Fruitland Baptist Bible Institute teacher, filled that position.

Hollifield called Don McCutcheon from the Florida Baptist Convention, to succeed him as executive leader for mission growth evangelism. He also brought on John Butler, pastor of First Baptist Church, Matthews and board chair in 2004-05 as executive leader for business services, replacing Glenn Harder who returned to corporate life.

Norman Jameson in public relations and resource development, and Lynn Sasser in congregational services, are the other executive leaders.

Cause for Rejoicing

BSC leadership rejoiced over many areas of progress that indicate God's blessing on the work. These include in part the 103 new churches started in 2005; thousands of volunteers participating in a national Crossover event in the Piedmont that sowed seeds for 27 new churches; continued strong support for Cooperative

Program Missions Giving in which 1,672 churches increased their giving to missions

through CPMG; a growing awareness of Pursuing Vital Ministry and coaching ministry; campus ministries growing in strength; powerful student weeks at Fort Caswell; burgeoning interest in church renewal weekends; nationally televised disaster relief efforts in Gulfport with Baptist Men; programs and services provided by Convention staff that serve countless churches; increasing visibility for prayer evangelism and personal evangelism strategies; well attended programs and special events and a convention of churches facing the future with the courage of their convictions and faith in Jesus.

Significant resources were committed to strengthening information technology services, recognizing that the Convention must stay current with technology to readily serve churches' needs.

The Convention is increasing emphasis on multi-cultural ministries—reaching people from the many and varied cultures present in North Carolina. The face of the Convention staff reflects that commitment as Ken Tan and Ralph Garay from the Philippines, Tayo Jolaoso, from Nigeria and Maria Luoni from Puerto Rico have joined the staff.

Of the 103 churches started last year, 39 are Anglo. The rest are a variety including Hispanic, cowboy, and several Asian languages. North Carolina Baptists now worship weekly in at least 33 languages.

Changed lives are Certain Proof that missions giving through the Cooperative Program works. Each church received a Certain Proof DVD of 90 second video clips that feature lives changed through a ministry sponsored by North Carolina Baptists.

The 2006 and 2007 budgets each send an additional half percent for Baptist work in North America and beyond and North Carolina led all state conventions in designated mission's gifts to the SBC.

On Mission Celebrations

On Mission Celebrations is the new name for World Mission Conferences. Coordinate a conference in your association through Dan Euliss, 800-395-5102, ext. 121.

These missions' awareness events provide missionary speakers from the association, state convention, North American Mission Board and the International Mission Board. In 2007 six associations will host OMCs.

Retirement Planning

The importance of the insurance and health benefits provided to participating church staff members was never more dramatically demonstrated than during one week this year when two young pastors died. One was covered and his widow and children received an immediate death benefit of $50,000. The other was not a participant in the plan and his family faces a much more difficult struggle.

Are your pastor and staff participating in the church annuity programs that protect their families and the church in the event of death or illness? Call Johnny Ross at 800-395-5102, ext. 320.

We cooperate with GuideStone to provide financial assistance to retired ministers and widows of ministers who are living in poverty. As of June 30, 222 North Carolinians receive financial assistance. We could help others if we knew who they are.

Winning North Carolina

Don McCutcheon, new executive leader for Mission Growth Evangelism, brings a single goal to his task: To Win North Carolina to Christ – Acts 1:8

He will organize the work of his team around three priorities:

- Intentional, effective evangelism without apology
- Planting intentionally and effectively evangelistic churches
- Assisting existing churches in becoming intentionally and effectively evangelistic

In 2005 North Carolina Baptist churches reported 23,179 baptisms with only 75 percent of our churches reporting. If each of our churches will establish and reach a four-year goal to baptize just one more person than they did the previous year, we will surpass 43,000 baptisms in five years.

Tent Ministry

The evangelism tent will seat up to 1,500 people. It stays booked from March to November and is used for revivals, community outreaches, block parties, VBS and other evangelistic community events. Please reserve tent six to 12 months before your event.

Coming Alongside

Congregational services comes alongside congregations in their spiritual journey to help them become everything God desires for them. Coaching and consulting in the programmatic services of Sunday school, children's ministries and weekday education, deacon ministries, Bible drill, discipleship, Pursuing Vital Ministry, architecture, special ministries like deaf and developmentally disabled, senior adults, singles and others, our staff is eager to serve you.

THE MOTHER'S DAY OFFERING: EXTENDING CARE TO THE "LEAST OF THESE"

Thanks to the compassion and generosity of North Carolina Baptists, the Mother's Day Offering reached a record high of **$664,744 in 2005!** Every dollar of every gift lifts the anxious burden of hospital bills for our patients in serious financial need. Having no where to turn for help, Christ reaches out to them through you. Their lives are changed by the power of gratitude.

"I could never say thank you enough for the help of the Mother's Day Offering. I've faced some hard times and was so worried about my hospital bill. This gift blessed me so much and strengthened my walk with Christ."

"I was so overwhelmed by this gift that I couldn't help but cry tears of joy. I never thought I'd be in a situation like this, needing help and not knowing where to turn. I praise God for people who reach out to help. Please thank them with all my heart."

"The Minister's Subsidy was a tremendous blessing to our family." – NC Baptist minister
